RE:

Dear Ed:

Con  
consider the  
decided on the

Case  
an EPO filing  
Haiti, plus H  
list C and (1  
Guatemala, Sa  
on the basis of the CIP text, but using multiple priority dates.  
For Saudi Arabia, of course, there is no patent system but only a  
warning procedure based on publication.

Case II (PM 1321): File in all list A countries plus  
Hong Kong, Singapore, South Korea and Taiwan from list B.

Case III (PM 1315): File in all list A countries  
except Egypt, Nigeria and Pakistan, but adding Hong Kong,  
Singapore, South Korea and Taiwan from list B.

For Case IV (PM 1319) we need to have your recommenda-  
tion about whether to combine other disclosures with this case or  
to file them separately abroad. However, the scope of the for-  
eign filing program is expected to be essentially the same as  
that for PM 1321.

Regards,

Art
